

Dear valued JBS Livestock Supplier,

The COVID-19 (Coronavirus) presents challenges to Australia. Importantly, JBS will continue to purchase livestock and maintain the continuity of our business. Our clear aim is to ensure our processing operations remain open and we continue to process product for both the domestic and international markets.

As a valued livestock supplier to JBS, we can and will continue to, pay for livestock consistent with our terms and conditions, and for us, it is business as usual.

We will continue to follow the guidelines and recommendations of the Government, public health officials, and leading experts in managing the Coronavirus.

We will ensure you are kept up to date throughout this time.

Regards,
